R e a d:--

Correspondence ending with letter No. 26504/1047 dated 3rd May 1917 from the Inspector-General of Education in Mysore, stating that the Sanskrit College at Melkote is a flourishing institution affording facilities for study in the higher branches of Sanskrit learning, and recommending that as the institution has no income except the monthly Government grant of Rs. 170 which is barely sufficient for the remuneration of the Pandits, for stipends to pupils and for the up-keep of its Library, the - - grant may be raised to Rs. 270 per mensem on certain conditions.

- - -

O r d e r No. 1053-5/Edu. 27 to 77

Dated Bangalore, the 31st July 1917.

The conditions proposed by the Inspector-General of Education are

(1) that such of the boys of the local Anglo Vernacular - - School as have passed the Lower Secondary Examination and as are in the Lower Secondary classes taking Sanskri as their optional language should be given instruction in Sanskrit by the Sanskrit College both for the Upper and Lower Secondary Examinations

(2) that all stipendiary students of the Sanskrit College studying Sahitya should attend the Anglo Vernacular School for about 8 hours in a week to learn the Kanarese language and general subjects, so that they could be recruited later on for employment as masters in schools of general education where sanskrit teachers are needed.

(3) that

(3) that as there are several unbound books of great value in the Library a portion of the enhanced grant is utilised for the binding of such books from time to time, and also for purchasing new books.

2. The Muzrai Secretary who was also consulted in the matter is of opinion that the additional grant should be utilised for raising the pay of the junior teachers and for enhancing the scholarship fund of the institution a small amount being sufficient for the contingent expenses as the Librarian also draws an allowance of Rs. 5 per mensem from the Muzrai funds, and that the institution should also provide for some vocational training.

3. The proposals of the Inspector-General are sanctioned. He is requested to see that vocational training in Agama, - - Adhyayana and Prayoga is also provided in the institution. The extra charge during the current year will be met from the grant Rs. 30,000) provided in the Budget of 1917-18 for improvement of sanskrit education etc.
